American Association of Medical Research 24, 56, 89, 124, 160, 194, 225, 259, 293, 323, 354, 389

AUTHORS AND SUBJECTS:

Alger, Ellice M., The Physician vs. the Midwife in the Matter of Ophthalmia-Neonatorum 344
Anderson, William G., On the Agitation of Air Rich in Carbon Dioxid..... 3
Is Smoking Detrimental to Boys and Young Men? 170
Applegate, John C., Dämmerschlaf Has a Limited Place in Obstetrics..... 364
Askenstedt, Fritz C., Further Observations of Indicanuria 90
Auerbach, Julius, Post Graduate Studies in Vienna for the Prospective Auriat. 39
Aulde, John, The Chemistry of Neurasthenia 261
Bailey, E. Stillman, Energies in Atoms. 160
Barclay, Harold, The Diagnosis of Pyloric and Duodenal Ulcer 265
Barnes, F. H., Modern Dance a Social Evil 68
Barton, W. M., Application of Salvarsan in Non-Syphilitic Diseases 28
Baruch, Simon, Hydrotherapy in European Health Resorts 305
Battle, George Gordon, The Problem of the Disposition of Insane Criminals..... 69
Beck, Alfred C., Fifteen Months of "Judicious Neglect" in the Treatment of Puerperal Infection 137
Bell, John N., Dämmerschlaf Satisfactory if Technic is Good 364

Bennett, C. F., Practical Ventilation... 368
Beveridge, J. W., The Baneful Influence of Alcohol 279
Bishop, Seth Scott, Tonsillar Treatment 42
Bovee, J. Wesley, Dämmerschlaf for the Obstetrical Expert Alone..... 364
Brooks, M. D., Country Home Sewage Plant 178
Brunor, Emile, Mal-Nutrition and Its Treatment 240
Bryant, W. Soyier, The Conservation of the Functions of the Ear, Nose and Throat 105
Burdick, Alfred S., Printer's Ink the Remedy 135
Burnett, Henry W., Hand Feeding Briefly Considered 203
Burr, Charles W., Sensible People are Not Affected by Foibles..... 63
Butler, George F., The Tango..... 66
Publicity 126
Psychology for the Physician..... 180
Advantages of Institutional Treatment.. 216
Camp, Walter, Is Smoking Detrimental to Boys and Young Men?..... 167
Campbell, J. Boyd, Mental Metabolism.. 219
Campbell, William Francis, Carcinoma of the Breast. Tuberculous Peritonitis... 297
Harellip: Diabetic Gangrene: Lane-Kink. 376
Pneumococcus Peritonitis Trifacial Neuralgia: Acute Appendicitis 337
Church, Archibald, Vigorous Dancing Is Necessary 68
Cleveland, Edward H., Is Smoking Detrimental to Boys and Young Men?..... 168
Collins, Edward T., Is Smoking Detrimental to Boys and Young Men?..... 167
Is Smoking Detrimental to Boys and Young Men 169

Conklin, Alice T., Are Fibroids More Common in Single and Nulliparae Than in Multiparae? 59
Cornwall, Edward E., How to Keep Young 370
Crothers T. D., Modern Dances..... 67
Darlington, Thomas, Sanitary Welfare of Workers 45
Davenport, Charles B., Medico-Legal Aspects of Eugenics 300
De Lee, Joseph B., Dämmerschlaf Not for General Use 363
Donovan, Michael J., Is Smoking Detrimental to Boys and Young Men?.... 172
Dreyfus, George L., Three Years of Salvarsan Treatment in Syphilis of the Central Nervous System..... 233
Duncan Charles H., Autotherapy in Gynecology and Obstetrics..... 146
Earp, Samuel E., The Treatment of Lobar Pneumonia 2
Ehrhorn, Oscar W., Societies of Medical Jurisprudence 373
Epstein, J., The Treatment of Chronic Bronchitis 30
Fischer, Louis, Suggestions for Infant Feeding 201
Gellhorn, George, Modified Twilight Sleep with Spinal Anesthesia 363
Geyser, Albert C., New Treatment of Pulmonary Tuberculosis by the High Frequency Current 272
Gibson, Jefferen D., The Importance of Glandular Infection in Pre-Pulmonary or Incipient Pulmonary Tuberculosis.. 124
Ginsburgh Edward L., The Commoner abscesses of the Throat..... 333
Griffith, J. P. Crozer, The Treatment of Lobar Pneumonia 3
